

## Letter of Declaration

To whom it may concern,

We, Hoyotek Biomedical Co., Ltd., located at No. 225 Jinger Road, Tianjin Airport Economic Zone, China, hereby declare that our Product of Corona Virus (COVID-19) Antigen Rapid Test (Colloidal Gold) remain effective for the detection of SARS-CoV-2 antigen and are theoretically able to detect the Omicron variant (B.1.1.529) of the SARS-CoV-2 virus found in South Africa.

Experiments were conducted on product of the Corona Virus (COVID-19) Antigen Rapid Test (Colloidal Gold) using the recombinant SARS-CoV-2 Omicron Variant Protein for reevaluation of the sensitivity of the product. The experiment result proves that the product is able to detect the Omicron and meet the required standards .

Yours sincerely,

Date: December 14, 2021
